Objective:

I am a polite, enthusiastic, thoughtful person who loves a challenge. A reliable, hardworking individual with a great deal of relevant experience and vast knowledge in different aspects of the I.T industry. Always looking to improve skills and knowledge through further studies and continuous research.
 Able to work as part of a team, but equally able to work on my own initiative in varying situations. I would be a great asset to any team and look forward to starting a new challenge.
